In The Name of God

Curriculum Vitae

Atefeh Sharif
PhD. Assistant Prof. Knowledge and Information Science
Faculty of Management and Economics
Tarbiat Modares University (TMU)
Tehran – Iran
Tel. 0098-21- 82883625
E mail: a.sharif@modares.ac.ir

Date of Birth: 21 March 1982

Assistant Prof. Knowledge and Information Science, Ferdowsi University of Mashhad (2012- 7 May 2016)

Address: Department of Knowledge and Information Science, School of Management & Economic, Tarbiat Modares University, Tehran, P.O.Box:14115-337, Iran
Phone/ FAX: (9821) 82883652

ORCID ID: 0000-0003-4761-6761
ResearcherID: E-7972-2010

Education

- BA: Knowledge and Information Science, Ferdowsi University of Mashhad, Mashhad, Iran. honor student (19.39 GPA) (2000-2004)
- MA: Knowledge and Information Science, Tehran University, Tehran, Iran. honor student (19.03 GPA) (2004-2006)
- PhD: Knowledge and Information Science, Ferdowsi University of Mashhad, Mashhad, Iran. 18.69 GPA (2006-2012)

- M.A. Thesis:

Distinguished M.A. Thesis and Award: *the second award recipient* of 4th Yong Farabi International Award in 2010.

- PhD Thesis: Identification and analysis of the Persian Subject Headings characteristics, including Syntactic and relational structures and its conceptual system in comparison to Library of Congress Subject Headings

Distinguished PhD Thesis and Award: *the first award recipient* of First Iraj Afshar Award, in 2013.

Research interests:
- Semantic web

- Web ontology
- Knowledge representation
- Information retrieval

English Conference papers:

Sharif, A. (2009). "Combining ontology and folksonomy: An Integrated Approach to Knowledge Representation " Paper Presented at the Emerging trends in technology: libraries between Web 2.0, semantic web and search technology, August 19-20, Italy.

Nikookar, Maryam; Nowkarizi, Mohsen; Sharif, Atefeh (2016). Investigating the relationship between organizational justice and OCB in public libraries of Khorasan Razavi Province. Paper Presented at the International Journal of Arts & Sciences' (IJAS) international academic, June 21-24, Munich, Germany.

Ahmadi, Mahnaz. Sharif, Atefeh, Nowkarizi, Mohsen (2016). From 2002 Information Literacy Standards to 2016 Framework for Information Literacy for Higher Education. *Journal of Studies in Library and information science*, 6(2): 97-119. (Persian)

Sharif, Atefeh, & Rahimi, Marie. (2017). Reading Behavior of Employees in Iran's Province of Khorasan Razavi: The Role of Top Managers. *Research on information science and public libraries, 22*(3), 399-424. **(**Persian)

Books (In Persian)

- Davarpanah, M., Arastoopor, M. Sharif, A. Moradi, H. Mokhtari, H. (2009). *Human information behavior*. Tehran: Dabizesh.

Projects:

1. A Research for Designing a Strategic Plan for Iranian Library and Information Science Association (ILISA). (project member)
2. Performance changes of two popular search engines, Yahoo! and Google, in terms of indexing coverage and the effectiveness of Metadata elements. (Project manager)
3. Identification and validation of personal knowledge management systems (PKMs) (Project manager)
4. The relationship between personal knowledge management skills and tools among graduate students in Ferdowsi University of Mashhad (project member)
5. Reading Behavior of Employees in Iran's Province of Khorasan Razavi: The Role of Top Managers. (Project manager)
6. Internal evaluation of Information and knowledge science department of Tarbiat Modares university. (project member)

Advisor (M.A.)

1. Validation and evaluation of Persian children's digital library interfaces (2015)

2. The impact of implementation integration plan performance of Information Center and Central Library Ferdowsi University of Mashhad on satisfaction scale of higher education students from public services based on Kano model (2016)

3. Necessity and Application of Supporting Criteria of Information Literacy Education in the Websites of University Libraries from Students' Point of view (2016)

Workshops:
- Search strategies (3 times)
- EndNote (3 times)
- Metadata
- Scientific writing (2 times)
- Promote reading for novice adults (summer school)

Referee for journals:

- Research on information science and public libraries
- Library and Information Research Journal
- Journal of Information Processing and Management
- Journal of Studies in Library and information science
- Journal of Library and information science

Membership of scientific societies:
Iranian library and information science Association (board member from 2012 to 2015)

Awards

- BA: Knowledge and Information Science, Ferdowsi University of Mashhad, Mashhad, Iran. honor student (19.39 GPA) (2000-2004)
- MA: Knowledge and Information Science, Tehran University, Tehran, Iran. honor student (19.03 GPA) (2004-2006)
- Distinguished M.A. Thesis and Award: *the second award recipient* of 4th Yong Farabi International Award in 2010.
- Distinguished PhD Thesis and Award: *the first award recipient* of First Iraj Afshar Award, in 2013.
- Distinguished *Teaching Award*, 2014. Ferdowsi University of Mashhad.
- Distinguished *Teaching Award*, 2015. Ferdowsi University of Mashhad.
